

# Jenn's Journey Supply List

## Michelle Renee Hiatt - Instructor

Welcome to the Jenn's Journey class. Michelle designed this modern play on Snail's Trail quilt layout in honor of a longtime friendship. Michelle's design makes excellent use of those 1-yard fabric cuts you have been collecting. It comes together with effortlessly using **Studio 180 Design's Diamond Rects and NEW Large Square Squared**. You will complete this journey with ease. Yes, you read correctly, a Snail's trail block without paper piecing!

### Some notes when selecting fabric:

- All sizes are made up of Background fabric and 5 different Assorted Bright fabrics and an accent fabric.
- Each Snail's Trail Block starts with a 4-Patch, and then has 5 rounds of Assorted Bright fabrics applied.
- Michelle used the same 5 bright fabrics, used in the Snail's Trail Block, for the Diamond Rects units.
- Michelle made 4 different Snail's Trail units, rotating the fabric placement between rounds (Snail's Trail A, B, C, D units)
