Tumbling Triangles Class

Tumbling Triangles! - a Modern 180 pattern designed by Running with Scissors Quilters. By combining two contrasting fabrics you will create triangles tumbling down the quilt. This quilt can be made in six (!) different sizes from 13" x 13" mini to a queen sized 80" x 80"! It's your choice for the class. The triangles are made using the V-Block tool - what was a difficult block to make is now super easy. Before class prep is minimal – just cutting strips. And only two fabrics - this is a great quilt to use that fabulous print you've been saving!

Choose which size quilt you would like to make for the class.
