

Amusement Supply List

Michelle Renee Hiatt - Instructor

Welcome to the Amusement class. Michelle designed this quilt for Modern 180, Studio 180 Design's Modern Pattern line. Amusement is a fun and quirky quilt inspired by the Ferris Wheels found on the Amusement Piers, in New Jersey, where Michelle grew up. This pattern is made using Studio 180 Design's Tucker Trimmer® I, Wing Clipper® I and the Corner Pop® tools. Make this fabulous design without paper piecing!

You will use yardage for the background and accent (green), and for each Ferris Wheel you will use 3 values of one color. So, for example, if you decide to use red for one block, you'll need a light red, a medium red, and a dark red. It's up to you to decide how many different color Ferris Wheels you have in your quilt. Pattern offers Wall (4 Blocks), Throw (9 Blocks) and Twin (12 Blocks) sizes. ***Precutting of fabric squares is required and will allow us maximum sewing and learning time in class.**

Required Supplies may be purchased in class, at a discount from the instructor. Class Pattern is \$6 (wholesale prices) to students only. If you have any questions please feel free to contact me at fabricquiltgirl@gmail.com.

Required Equipment:

- Sewing machine in **GOOD WORKING** order
- Thread, new needle, rotary cutter (new blade).
