

# Spring Bouquet Supply List

## Michelle Renee Hiatt - Instructor

Welcome to the Spring Bouquet workshop. Michelle loves seeing pops of color in her spring garden and this quilt was inspired by those pops of color.

Spring Bouquet is a fun and quirky layout of Spinning Stars made from alternating V Star and Split Stars, the two blocks come together to create that sprig of hexagons and friendship stars. To select fabric for this quilt considering picking a beautiful border and go from there! Spring Bouquet comes together easily with the Studio 180 Design's Tucker Trimmer, V Block, Corner Beam and Split Rects

**Required Pattern, Tools and Notions are available for purchase at the workshop at a Student Discount.**
