

Lemoyne Trails

Project Size: 45" x 57"

Lemoyne Trails uses the combination of Lemoyne Stars and Snails Trails blocks with special color placement to achieve this stunning look. This pattern incorporates the new Stacked Squares Technique Sheet by Deb Tucker in making the Snails Trail blocks. Lemoyne Trails is a fat quarter friendly pattern, calling for at least 6 different assorted fabrics. If you want no repeats in the star points, choose at least 8 assorted colors.

Fabric Requirements: (Colors refer to pictured quilt)

- Accent (black) - 1 1/8 yards
- Star Points (assorted colors) - 8-12 fat quarters or scraps to equal around 2 yards.
