

Workshop description and supply list:

A Wonky Star: Improv with a Vintage Twist

Embrace the magic as you are given permission to combine the love of vintage with a fun modern aesthetic. Work with vintage textiles to create a wonky star with lots of negative space for modern quilting designs. The workshop is packed full of tips for working with vintage fragments and ways to showcase these treasured pieces. Students are encouraged to bring their own vintage blocks and fragments or they may purchase a kit of their choice in class. Finished sizes will vary.

Supply list: basic sewing kit with neutral thread, rotary mat, cutter and basic ruler, one yard of solid cotton for background, one yard of vintage patchworktop fragment, blocks or a partial top. The smaller the piecing, the better!

Vintage kits are available for \$20 and may be paid directly to the instructor. Bring your solid cotton and choose a favorite fragment
