

Course Detail Section One

Instructor: Patty Prodonovich

Class Title: STARBURST

Level: Beginner Intermediate Advanced All Levels

Class Description:

Using only 2 colors makes it easy to choose fabrics for this eye catching quilt. Stars are constructed using the Tri-Rec Tool and quilt is assembled on the diagonal. You will learn to accurately make the V block or triangle in a square in addition to the square in a square block. These skills can be used to create other beautiful quilt designs. Style can be traditional to contemporary depending on fabrics chosen. Class project is approx.. 50 x 63. Students will be given information for queen size in larger scale.
