

In Flight Supply List

Michelle Renee Hiatt - Instructor

Welcome to the In Flight class, Michelle designed this fun, quick and easy quilt that can be made with scraps, fat quarters, yardage, etc... you pick!

The pattern offers 4 sizes and 4 setting options. All sizes are made with the same number of blocks and units, the size of the flying geese units determines the size of the quilt. Michelle chose a large floral print for her stars and tone on tone for her Flight block, however you can use the same fabrics, different fabrics, or scraps! In Flight comes together easily with the Studio 180 Design's Wing Clipper I tool.

Some notes when selecting fabric:

- You can go as scrappy as you want with this quilt.
- Michelle is a firm believer in the more fabric the better, but you get to decide, as it is your quilt.

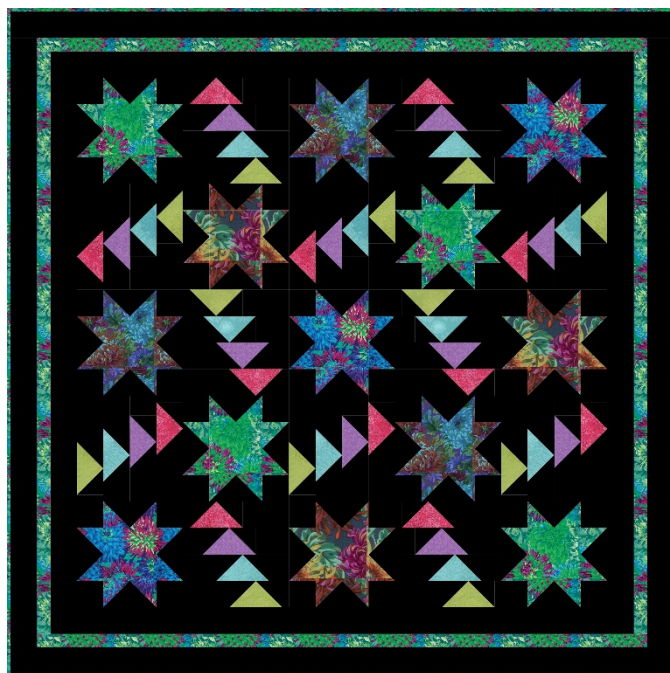

***Precutting of fabric squares is required and will allow us maximum sewing and learning time in class.**

If you have any questions, please feel free to contact me at michelle.hiatt@sewonthego.net
