The Tiny Tuffet can be made with either the Creative Grids 15-degree Triangle or the 22.5 degree triangle. It's a personal choice as to how many wedges you want to include in your tuffet.

There are currently two versions of the Creative Grids 15 degree ruler and the 22.5 degree ruler. All work. The rulers listed on the left are the shorter versions of each angle. Templates are provided in the pattern if you prefer. You will need template plastic.

Supplies Needed:

- *Creative Grids 22.5 degree Triangle (CGRT22.5) or *Creative Grids 15-degree Triangle Ruler (CGRT15) available from Erin @ \$19.99
- Tiny Tuffets Kit - 5" for \$19.95 or 7" for \$24.99
- 4 drawer-pull knobs (Home Depot or Lowes)
- Rotary Cutting supplies
- Basic Sewing Supplies, 1/4" Foot; Thread to match
- *Optional: Template plastic in place of ruler
