

Hand Quilting (Learn or Improve) Supply List

Please bring basic hand sewing supplies, a pencil, a thimble, and a 14" quilting hoop.

For the beginners: Please bring basic sewing supplies (straight pins, scissors, thimble) and a 14" quilting hoop. You will also need a pencil (not a friction pen, please) for marking. Bring your eyeglasses for close work, if you need them. Materials (fabric, needle, thread, batting) are included in the kit fee of \$10.00 payable to instructor. Students with hand quilting experience (such as a previous beginner's class) will bring one or two projects basted and ready to quilt (or partially quilted), all of their hand quilting supplies and questions. You will still need the kit to practice on. I'll also talk about Big Stitch or Utility Quilting.

All students are all welcome to bring a quilt top to discuss suggested designs.

If you have any questions, call Madge Ziegler (302-234-1394) or e-mail quiltzig@comcast.net The only homework for this class is to gather supplies. The experienced students will need to have their project basted and ready to quilt.
