

## SEA GLASS

Sea Glass is a great example of something else you can do with a Diamond Rectangle unit besides of the usual Storm at Sea. Oversized units that are trimmed to perfection will result in a beautiful quilt that is sure to bring back fond memories of searching the beach for treasure. Choose a focus print, pull some coordinating fabrics from your stash, mix everything together with a light and a dark and you're headed for a great looking quilt. The finished size of this quilt is 63" x 54½".

### **Fabric Requirements:** (Colors refer to pictured quilt)

Fabric	Yardage
Focus: border, binding (floral)	1 5/8 yards
Light Background	1 yard

Coordinating Scrap Fabrics*	1 ¼ yards
Backing	4 yards

\*Fat quarters work well here.
