

Class Supply List: Painted Stitches – Landscape Class with Punch Needle Embroidery

Instructor: Donna Clauer Stufft

What to bring:

- Sewing machine capable of free-motion quilting
- A darning/embroidery foot for your machine
- Two bobbins pre-wound with white thread
- Two bobbins pre-wound with black thread
- Scissors
- If you have a small embroidery hoop, you may find that helpful when using the punch needle, but it isn't necessary; I don't use one.
- You're welcome to bring assorted colored threads leftover from other projects if you have them, but don't buy new threads. Two threads will be used at a time to add leaves to the trees, flowers, etc., so greens (summer), reds/yellows/oranges (fall), greens/pinks (spring) will be used. I'll bring an assortment of threads for everyone to share.
