

**HST Flip**

**Delectable Mountains**

**Two Color Collage**

### **Disappearing HSTs (3 ways!!)**

In this class, we'll explore 3 different ways to make "Disappearing" Half Square Triangle blocks.

For each block, you'll need to bring to class 2 identical half square triangles, for a total of 6.

You'll make the half square triangles using the "2 at a time method". Square each unit to 9 ½" square.

If you're unfamiliar with this method, no worries! I made you a video!

Go to <http://www.heatherkojan.com/> and look under the Tutorials tab. The link is right at the top!

#### **Materials:**

Three sets of (2) 10" squares. For each set, look for good contract between the fabrics. Solids or small-scale prints work best.

From these sets, make (2) identical half square triangle units, squared to 9 ½" (see above.)

In class, we are only making blocks, we are not making quilts.

Fabric amounts and quilt instructions will be in the pattern that you will get in class.

Fabric amounts for quilt tops as shown are below.

#### **Supplies:**

Rotary cutting supplies (mat, cutter with new blade, 12 ½" square ruler)

Marking tools

Notions: pins or sewing clips, scissors, seam ripper

Sewing machine with ¼" foot with neutral thread (if not provided by venue)

Questions: email Heather Kojan at [heatherkojan@gmail.com](mailto:heatherkojan@gmail.com)

Fabric Requirements are for quilt tops only. All these quilts are block based, so can be made larger or smaller, depending on how many blocks you make.

**HST Flip (48" x 48")**

9 fat quarters assorted solid colors or small-scale prints

1 ½ yards background fabric (white in illustration)

**Delectable Mountains (54" x 45")**

(18) assorted 10" prints (can be from a layer cake) This is orange in the illustration.

1 ½ yards background fabric. This is aqua in the illustration.

**2 Color Collage (32" x 32")**

⅝ yard color 1

⅝ yard color 2
