

# Beautiful Brooches-American Flag

www.onceinarabbitmoon.com

My love of sequin brooches started with my Grandma Green. She owned a sequin Christmas tree brooch that she wore every year. My mum inherited it and carried on the annual tradition. I finally decided to make one of my own. I enjoyed making it so much that I started designing a wide variety of brooch patterns.

**All you need to bring to class is a pair of scissors** to cut the wool felt and thread also a **travel light**.

**Kit fee \$20** payable to instructor

Kit Includes enough for two flags

Pattern  
White Wool Felt  
Red, white, and blue Sequins
