

Saving Our Treasures

Class Description: Learn the basics of restoration, conservation and repair of antique quilts. The workshop will include discussion and trunk show of historical repairs. The hands-on portion will cover basic repairs, restoration techniques, conservation, rescue tips and the recreation of patterns that are damaged beyond repair.

Kit Fee

Include Price & Contents: A conservation kit is required and can be purchased directly from the instructor for \$10.

Supply list: Participants are encouraged to bring a vintage quilt in need of repair to discuss and begin work on during the workshop. Additional supplies needed: scissors, note taking supplies and a digital camera if desired.
