

Galaxy

Galaxy is a beautiful alternating block design with 4 quilt size options. Through color placement and the different angles of the triangles, interesting interlocking circles appear. It's a fun optical illusion, easy to make and even easier to admire. Not quite sure you want to commit to a large quilt project? You can learn the techniques while creating a wall hanging or table topper based on the medium sized quilt.

Fabric Requirements:	Small 42" x 54"	Medium 63" x 81"	Large 84" x 108"	Wall Hanging 40" x 40"

Pre-Class Cutting Instructions

WOF = width of fabric, approx. 40" * indicates borders you may wish to leave at home

Note: You may wish to cut long borders lengthwise first. If you do so, you'll need extra strips since the remaining fabric will not be WOF. Multiply the number of WOF strips by 40" to determine the total length of strips needed.
