

Antique Lighthouse

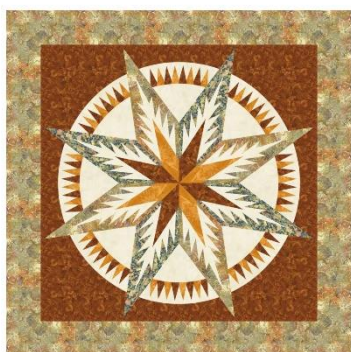

Project Size: 40" x 40"

Do you have a Quiltworx quilt on your quilting bucket list? Have you been intimidated by the instructions and complexity of Judy Niemeyer's patterns? Cross this one off your list as Julie, an aspiring Quiltworx instructor guides you through the process as you create a stunning wall hanging, Antique Lighthouse. We'll tackle template layout sheets, cutting and stacking techniques, registration points, foundation paper and curved piecing in this two-day class.
