

Blue Moon Placemats

Project Size: (2) 12" x 18"

Have you always wanted to make a Quiltworx foundation paper pieced quilt? Are you intimidated by the instructions and complexity of Judy Niemeyer's patterns? Start small with a pair of placemats and see if Quiltworx patterns are for you as Julie, an aspiring Quiltworx instructor guides you through the process. No need to purchase and prep fabrics as you'll be choosing from an assortment of pre-cut kits making two matching placemats in this introductory class. Kits will contain foundation papers and fabrics for the tops and bindings for two 12" x 18" placemats along with the pattern and even more papers to complete a set at home. Even if you've never foundation paper-pieced before, this small project is the perfect introduction into Judy Niemeyer patterns. So, before you invest in a large pattern and fabrics, try Blue Moon Placemats with a pre-cut kit.
