

Choose Your Yo-Yo Applique Design

The purchase of **one** of these three patterns will be required for class. You may either purchase it ahead of time through my website: www.JoyousAppliqueDesigns.com prior to class or email me to let me know which pattern I should bring for you to purchase during class (each pattern is \$10 and if it is shipped to you ahead of class, there will be a shipping charge as well).

You will only need the supplies listed for your chosen design. If you have any difficulty finding supplies, please contact Joy at JoyousAppliqueDesigns@cox.net as I will be happy to help you and can even bring items **other than the cotton fabrics** to class for purchase if you let me know ahead of time that this will be helpful.

You are not limited in any way on your fabric color choices, these are just the colors I used to make the samples – your creativity is encouraged!

PLEASE NOTE THAT ALL COTTON FABRICS MUST BE PREWASHED WITHOUT FABRIC SOFTENER OF ANY KIND, BEST PRESS, OR STARCH OF ANY KIND BEFORE CLASS – this is necessary so that the fusible will adhere correctly.
