Optional - additional sets of three matching 2" squares (6-12 sets)

Note - if you don't have enough fabrics, you can use the same fabric twice.
Having a few extra sets won't hurt so you have more color options - or -
you might be able to swap with someone.

No large prints, checks or stripes - batiks look the best, but tone on tones/small prints work too

Instructor will have a limited number of starter packs of (12) pair of extra 6" batik squares available in class for \$12.00 per pack - this is enough for one row of blocks.
