

Alaska Quilt Tuckerized

Project size: 71.5" x 71.5"

This gorgeous quilt by Laundry Basket Quilts looks overwhelming. But when you use the Studio 180 Wedge Star tool to replace those paper templates this quilt becomes a dream to work on. **Students must purchase the Alaska pattern by Laundry Basket Quilts to participate in this class.** Students can purchase the pattern on the Laundry Basket Quilts website. The patterns are also available on Amazon and many local quilt shops. *Be sure to purchase the original pattern pictured to the right, not one of the variations as Ginny will be using the original in the class.
