

# Jeweled Hearts

English Paper-Piecing Workshop with Tina Craig

Finished size 24" X 22"

## Paper Templates

Class kit includes the printed pattern and pre-cut templates. If you purchased the pattern last year, please bring it and this fee will be waived.

## Fabric Requirements

Background, borders & binding 1 yard  
Backing & Batting 26" X 28"

The hearts can be cut from scraps, 2.5" strips, 5" charm squares or yardage. Fussy cutting uses up a lot of fabric! Look for mirror-image or symmetrical motifs for added interest. I used 42 different prints for my hearts, but you don't have to. Background shapes can be cut from a single fabric or a variety of low-volume prints.

There is no prep work to do in advance, but you are welcome to email me a photo of your fabric options for advice.

## Supplies for EPP

Fabric glue pen & refills  
Milliners or Straw needles, size 9-11  
Thread in neutral color, such as Superior Bottom Line 60wt poly, Aurifil 80wt Cotton, Wonderfil Invisifil, or Silk  
Thimble of choice  
Fabric Scissors  
Paper first aid tape or painter's tape

EPP tool kits as well as individual items, will be available for purchase in class.
