

**Mock Molas !**  
**Modified and Made in Felt**  
Supply List  
**Alice Ridge Quilts**

The supplies for this class will be provided for you in the **Kit** that you will purchase on the day of class. There will be many designs to choose from!

Kit Fee is **\$25.00** payable to the instructor. **Cash or Debit/Credit cards.**

No personal checks, please.

Please bring with you:

**A Needle Threader**

**Small Very Sharp Pointy Scissors**, we will be cutting out the design and there will be small tight cuts to make.

**Thimble**, we will be doing hand stitching and you will appreciate having a thimble, trust me on this! If you don't have one, or have never used one before, I use leather "**Thimble Pads**" and I think they are fantastic. They are small leather dots that have adhesive to stick them on your finger right where the needle would poke you.

Please note that no personal Irons or Ironing stations can be set up in class. There will be Irons & Ironing stations set up for us!

If you have any questions, please let me know!
