

## 2025 Lottery Block - Potato Chip Block

12 ½" square – 12" finished - this is a great stash busting block

Cut 18 different rectangles measuring 2 ½" x 4 ½" - all seam allowances ¼"

1. Sew 2 rectangles together, right sides together along the long side.

2. Sew a rectangle to each end of the unit made in step #1.

3. Sew 2 rectangles together along the short end. Attach to the side of unit made in step 2. Repeat this

4. Repeat step 2 and attach it to the top side of the unit in step 3. Repeat and attach the second set of 2 and attach to the bottom side.

5. Attach 3 strips end to end. Repeat this step to make a second strip set. Sew each strip set to opposing sides of unit made in step 4.
