CLASS DESCRIPTION

This is a beginner class, perfect for those that describe it as the dreaded 'A' word; and those that say they do not do handwork. This block works perfectly with a large focus fabric in the middle, or a nice toile. By the end of class, you will LOVE applique, Guaranteed! And be confident with templates, overlays, circles, curves, points, and 3D buds using needle turn applique. This will set you up for success in ANY other appliqué class.
