

DIMENSIONAL ROSE BUD

(Baby Bud Wreath)

Taught by Barbara Blanton

Barbara@academyofapplique.com

CLASS DESCRIPTION: This class is perfect for the Beginner or those needing a refresher. The buds are 3D, beautiful, and VERY easy to create. The inking also adds exquisite detail to this block. This class will teach my method of using templates, overlays, curves, points and needleturn applique.

I GUARANTEE that you will love needleturn applique by the end of class! The best part of this class is that you don't HAVE to bring anything. The required kit contains everything but the notions that I use. I will have those notions in class for you to use and try.

This is a 15" finished block.

(1) 18" background squares

Fat Quarter: Red for Buds; Pink for Buds; Light Green for leaves; Medium Green for leaves; Dark Green for leaves

½ yard Green for wreath

Scissors – one small pair that are sharp to the point, one for cutting out pieces

Iron and small pressing board

If you have the following items, please bring them. If you don't have the following items, please do not buy them – I will have some to share and try:

Roxanne's Glue Baste It

Applique pins

Tweezers

White marking pencil

Regular lead pencil (or mechanical pencil with regular lead)

Thimble (if needed)

Task light

Extension cord

Kit Fee is \$25.00 which includes: pattern, template material, overlay, appliqué needles, and thread, and all fabrics required to finish this block. Please contact me with ANY questions
